

1. I will never forget or forsake thee,

Jesus says now to me and to you;
I will keep you secure in the desert,
And through trials and troubles stay true.

2. I will help you defeat all your worries,

I will strengthen your heart from above;
When you're weary from trials and hardships,
I will give you my comfort and love.

3. I will never forget or forsake thee,

Even when all your loved ones depart;
When your family and friends turn against you,
I will stay with you, close to your heart.

4. I will tend to your scars and your bruises,

I will heal your sad, broken heart;
I will gather the pieces you've scattered,
And restore what was once torn apart.
